A black and white manga panel showing a character being crushed by a giant hand. The character is being squeezed between the fingers of a massive hand that fills most of the frame. The character's body is being compressed, and a large amount of dust or debris is being thrown into the air. In the top left corner, a circular object, possibly a wheel or a part of a machine, is visible. The background is filled with radiating lines, suggesting a powerful impact or explosion.
